Chico, a 14.2H imported bay Westfalen German Riding Pony stallion, has the talent and pedigree to produce offspring for all disciplines. With his refined good looks, elegance, correct, powerful and elastic gaits and charming, people-oriented personality, **Chico** catches people's eyes wherever he goes. **Chico** is an intelligent, kind and hard-working athlete who quickly understands what is asked and is naturally able to perform correctly. Hunter and dressage trainers and breeders comment on his lovely gaits, conformation and type. **Chico** was approved as a First Premium ASPR breeding stallion as a 2 year old. In 2005, he was approved as a breeding stallion in Book I of the RPSI registry. In 2005, as a four year old, **Chico** was the Open Reserve Champion stallion at a Cosequin/USDF Championship Series Breed Show in competition with warmblood horse stallions. His score of 83.35% placed him second by 1.6% to the 2005 USDF Horse of the Year #2 stallion. **Chico** also received the highest score of 44 entries, an 83.9%, in the Individual Breed Classes at that show. **Chico's** pedigree contains some of the best bloodlines in Westfalia, a region known for producing beautifully refined yet sturdy German Riding Ponies. **Chico's** sire combines three of the best pony bloodlines imported into Germany with a small infusion of Trakehner jumping blood. **Chico** also has strong old dam lines including Welsh and a "Who's Who" of linebreeding of Russian Arabians that contribute strength, athleticism and exotic beauty. **Chico's** prepotent sire won his stallion koerung and 30 day stallion performance test (1st of 21 with an 8.9 including 10's on jumping and character). His approved $\frac{3}{4}$ brother won the Bundeschampionat scoring 9.5 for trot, 10.00 for canter and 10.0 for rideability. His State Premium dam won the Elite Mare Show in Westfalia, her mare performance test (8.33) and the Bundeschampionat bronze medal. **Chico's** size, movement, disposition and pedigree create a wonderful combination for siring sport ponies and horses for children, adult amateurs and professionals in all sport disciplines.
