**FS Daily Hero**, a 14.3 H imported golden zebra dun German Riding Pony stallion, has athletic talent, conformation and rideability that are bred for upper level competition. His pocket-pony disposition leads to a special bond with humans. He has a kind, willing, generous and people-devoted character; an intelligently sensitive temperament with an endearing sense of humor; and an impeccable work ethic. His correct and powerful gaits are a joy to ride in dressage, jumping and going cross country. His zebra dun coloring with all the chrome is "icing on the cake". **FS Daily Hero** is a proven champion. As a 3 year old, he won his stallion korung in Aachen Germany. In 2004 he won his 30 day pony stallion performance test with an overall score of 76.25% including 9's on jumping ability and technique. During the free jumping test, he was the only pony and one of the very few stallions the international judges asked to jump increasing heights and spreads. He easily and correctly jumped the same maximum heights, spreads and distances as both of the top scoring 100 day and 30 day horse stallions. **FS Daily Hero** is a First Premium Premiere ASPR approved breeding stallion, placing him in the top 2% of horses and ponies in that registry and is one of the very few stallions approved by the ISR sport pony registry. Competing against horses in 2003 and 2004, he was Champion Stallion at three Cosequin/USDF Open Breeder Championship Series shows. In 2004 and 2005 he was the Grand Champion of Show at 2 of them. Hero's unique and significant pedigree reads like a "Who's Who" of the history of German Riding Ponies. With generations of 100% German Riding Pony breeding behind him, he is bred for size, disposition and athleticism. His sire, dam and damsire each won the Bundeschampionat. His sire won his 30 day stallion performance test and is a record-holder for producing Bundeschampionat winners. As the only stallion son of his state premium dam bred to FS Don't Worry, **FS Daily Hero's** one-of-a-kind pedigree provides unique and valuable linebreeding of 4 foundation bloodlines for the German Riding Pony breed and includes 5 international dressage champions. His sire is competitive at Intermediare dressage, his dam's full brother is competitive against horses at Grand Prix and his damsire was European Champion and highest dressage money earner in Germany. **FS Daily Hero's** temperament, lovely jumping style and rare natural talent and conformation for collected dressage movements create a special sire for horses and sport ponies for children, adult amateurs and professionals in all sport disciplines.
